Subject: E033-065-25-00128 - New Hanover County Sheriff's Office - Various STIP conflicts

Good Afternoon Roy,

I am reviewing E033-065-25-0128. This encroachment includes 7 new breakaway poles for new license plate readers. The poles are already in the processed of being reviewed. Several of the sites fall within the limits of Division managed STIPs. Please advise if you have any concerns with the proposed locations below, or if I am clear to continue to work towards approval of this encroachment.

Site 2 - (34.276386,-77.865578)
U-6202: Road widening project that let on 11/19/24 – Seems likely to be in conflict.
U-5702: Scheduled to Let in 2040 – Seems highly likely to not have plans yet.
U-5881: Scheduled to Let in 2040 – Seems highly likely to not have plans yet.
I-6039: Pavement rehabilitation that Let 7/18/23 – Is this complete?

Site 4 - (34.319201,-77.768714)
U-4902CD: I can’t find any information on this STIP in SAP. Any concerns?

Site 6 - (34.146418,-77.892225)
U-5702B: Scheduled to Let in 2040 – Seems highly likely to not have plans yet.
U-5790: Scheduled to let 5/20/2029 – Potentially could have plans or a utility coordinator, but still seems too early to have plans to design around.

Site 7 - (34.290202,-77.921145)
U-5863: Scheduled to Let in 2040 – Seems highly likely to not have plans yet.

Thank you in advance for your help looking into this for me.
